Extract from the letter dated 19-6-51 of the Superintendent, District Livestock Farm, South Kanara.

I submit that a Releigh Cycle was purchased for District Livestoc Farm, Koila from "Presidency Cycle Importing Co.," Bangalore one of the big firms dealing in cycle and its accessories. The cost of the cycle is Rs.299/- only, without a seat, bell etc. This place being in an out of the place it was found very difficult to manage without a cycle. Even to get tapals one peon will have to walk 12 miles up and down. Further, for anything required for immediate use one will have to run up to Uppinangady. There was no Veterinary Assistant Surgeon in the Farm and as much for any disease among the farm animals one will have to run up to Uppinangady to get the presence of Touring Veterinary Assistant Surgeon, Uppinangady.

In the above circumstances I have no other go but to purchase a cycle other than Hind Cycle as Hind Co., had no stock to supply. Raleigh cycle was purchased as it was found strong and durable than any other make. Raleigh cycle is sold without Seat, bell etc and hence the above spare parts were purchased in addition to the cycle. Quotations were called for and there were only two quotations received and the lowest was for Raleigh. In the circumstances stated above I have no other go but to purchase a Raleigh cycle which is found to be durable and the price is under control and cannot be excessive.

E.No.7935/Plan II/51

Sub: LIVESTOCK - District Livestock Farm, South Kanara -- Purchase of bicycle -- Sanction of excess expenditure.

Ref: From the D.A.H., No.5520-V/51, dated 16-7-1951.

In November 1950 Government sanctioned the purchase of a Hind bicycle for the District Livestock Farm, South Kanara, at a cost not exceeding Rs. 165. It is reported that since a Hind bicycle was not readily available in the market, a "Raliegh" was bought at a cost of Rs. 370-3-6 and the D.A.H. requests sanction for the excess expenditure of Rs. 205-3-6.

According to current instructions, only Hind bicycles should be bought by Government Departments. The reasons adduced by the Superintendent for not observing this procedure do not seem quite convincing. He did not make enquiries of Madras dealers. The purchase of a bicycle was sanctioned for the farm principally to facilitate despatch and receipts of tapals, as the nearest post office at Uppinangadi was reported to be 6 miles away. But a post office has been set up in the Farm premises with effect from 30-4-1951 and the bicycle was bought on 18-5-51. With the opening of the post office, there appears to have been little justification for buying a foreign-made cycle at more than twice the sanctioned cost in such frantic hurry. The Superintendent could have waited till a Hind was available with the manufacturers and this in any event could not have been very long.
